

Wireless Blaze X

2.4GHz Wireless Gamepad for XBOX

Heat is on! The Genius' **Wireless Blaze X**, a wireless gamepad for XBOX, allows you complete freedom to move around without the constraints of cables. It uses 2.4GHz wireless technology for smooth and responsive control up to ten meters away and provides two XBOX expansion slots for XBOX live accessories or memorycards on the receiver. Further more, the auto-connecting function gives you plug-and-play convenience that you needn't waste time searching for the connections while playing games.

The advanced Turbo function gives you superior control especially in action, fighting or shooting games and the dual-motor is designed for real vibration effects such as hits, explosions or crashes.

If you're looking for an appropriate gamepad for your XBOX system, then the **Wireless Blaze X** from Genius is the way to go. It lets you feel the action wherever you play with no cords and no hassles.
